REHEARSAL SPACES

CREATE YOUR OWN PRODUCTION HOUSE AT WAC ARTS!

We regularly host rehearsals for West End and regional theatre productions that make the most of our extensive facilities to rehearse upcoming shows. Our unique combination of large, medium and small rooms enable clients to fully prepare under 'one roof' before moving on to the theatre. Recent productions include; Wicked, Matilda, Evita, Cabaret, Dirty Rotten Scoundrels, Shrek, Singin' in the Rain, Starlight Express, Sister Act, The Bodyguard, Rocky Horror Show, The Royal Academy of Music summer shows and the Chichester Festival. Here are the details on our available spaces.

"We rehearse up in North London in a fantastic arts centre. We've got lots of older people there doing University of the Third Age, and then we've got lots of young people running around trying to get into the arts, so it's a very creative space and it's lovely."
